Day of Service April 29

On any given day, in just about every Catholic school, students are involved in the effort to help others. From raising funds for worthy non-profits, to visiting nursing homes and stocking food pantries, there is no limit to the many acts of charity and kindness that are undertaken as part of the Catholic school experience. Over the next few weeks, all Catholic elementary schools in the Diocese of Trenton will be dedicating themselves to a single service project on April 29, and the beneficiaries will be sick children and their families in about a dozen hospitals spanning Burlington, Mercer, Monmouth and Ocean Counties. The aim is to make their stay at the hospital be more pleasant and comfortable.

Anyone interested in supporting “Hearts to Hospitals: Hearts to Lead – Hands to Help,” is invited to bring NEW items or gift cards to the lobby of Saint James School. Among the desired items are crayons, colored pencils, art supplies, sticker or coloring books, small toys, small puzzles/games, and gift cards are also perfect. Sacrament of the Anointing of the Sick

The Catholic Church professes and teaches that the anointing of the sick is one of the seven sacraments of the New Testament, that it was instituted by Christ our Lord, "intimated in Mark (6:13) and through James, the apostle and brother of the Lord, recommended to the faithful and made known: 'Is there anyone sick among you? Let him send for the presbyters of the Church and let them pray over him, anointing him with oil in the name of the Lord. The prayer of faith will save the sick man and the Lord will raise him up. If he has committed any sins, they will be forgiven him' (James 5:14-15)."

Vatican Council II adds the following: " 'Extreme unction,' which may also and more properly be called 'anointing of the sick,' is not a sacrament for those only who are at the point of death. Hence, as soon as any one of the faithful begins to be in danger of death from sickness or old age, the fitting time for that person to receive this sacrament has certainly already arrived.' "

"The sacrament may be repeated if the sick person recovers from being anointed and then again falls ill or if during the same illness the person's condition becomes more serious."

"A sick person may be anointed before surgery whenever a serious illness is the reason for the surgery."

Elderly people may be anointed if they become notably weakened even though no serious illness is present."
