THE SEVENTEENTH SUNDAY IN ORDINARY TIME

FOCUS: Every good thing that happens to us provides a glimpse into the joy that will be ours in heaven.

LITURGY OF THE WORD: The first reading tells of how King Solomon asks the Lord to grant him an understanding heart so he can lead his people well. In the second reading, we hear that all things work for good for those who love God. In the Gospel, Jesus uses parables to give his followers an idea of the joy that is theirs in the kingdom of heaven.

Saint James School

Searching for a good Preschool or Kindergarten? We have it right here!

For children, preschool and kindergarten is a happy place for exploring and finding out new things every day. For parents, a preschool and kindergarten should be a place that focuses on learning yet never forgets the importance of fun. Our preschool and kindergarten programs provide a stimulating and joyful environment which enables children to make a comfortable adjustment from home to school. We aim to strengthen self-esteem and instill a love of learning. We provide an environment in which your child feels happy, safe, comfortable, and loved at school.

A great school encourages development but never pushes your child to grow up too fast.

Saint James's School is just such a place.

Dedicated and talented teachers who take a genuine interest in their students, interested and supportive parents, and active parent organization, fully integrated technology, a balanced curriculum, and a welcoming environment are reasons why Saint James is so well respected.

Please visit our school, take a tour, and experience first-hand what makes Saint James such a special place.

*****Transitional Kindergarten Program**

In addition to our 3 and 5 day program for our 4 year olds, we also offer a "Transitional Kindergarten" program Monday through Friday from 8:45 AM to 1:45 PM. Our Transitional Kindergarten class is crafted for the younger five-

year olds who need time to grow and mature before taking on the opportunities and challenges of kindergarten. The program, which includes individualized and class-centered activities, is paced to provide developmentally appropriate instruction tailored to meet your child's unique individual needs.

Before care and after school care is also available. If you have questions, need additional information, or would like to visit Saint James, please contact us at 732 741-3363 or visit our web site

INTENTIONS OF HIS HOLINESS, POPE FRANCIS I FOR JULY

Pope's Intention For Evangelization: Lapsed Christians. That our brothers and sisters who have strayed from the faith, through our prayer and witness to the Gospel, may rediscover the merciful closeness of the Lord and the beauty of the Christian life.

Sacrament of the Anointing of the Sick

The Catholic Church professes and teaches that the anointing of the sick is one of the seven sacraments of the New Testament, that it was instituted by Christ our Lord, "intimated in Mark (6:13) and through James, the apostle and brother of the Lord, recommended to the faithful and made known: 'Is there anyone sick among you? Let him send for the presbyters of the Church and let them pray over him, anointing him with oil in the name of the Lord. The prayer of faith will save the sick man and the Lord will raise him up. If he has committed any sins, they will be forgiven him' (James 5:14-15)."

Vatican Council II adds the following: " 'Extreme unction,' which may also and more properly be called 'anointing of the sick,' is not a sacrament for those only who are at the point of death. Hence, as soon as any one of the faithful begins to be in danger of death from sickness or old

age, the fitting time for that person to receive this sacrament has certainly already arrived.' "

"The sacrament may be repeated if the sick person recovers from being anointed and then again falls ill or if during the same illness the person's condition becomes more serious."

"A sick person may be anointed before surgery whenever a serious illness is the reason for the surgery."

Elderly people may be anointed if they become notably weakened even though no serious illness is present."

(taken from "Pastoral Care of the Sick, Rites of Anointing and Viaticum")

Saintly Quotations

Be slow to speak, and only after having first listened quietly, so that you may understand the meaning, leanings, and wishes of those who do speak. Thus you will better know when to speak and when to be silent.
