**Saint James School****COMMUNITY NEWS****Searching for a good Preschool or Kindergarten?****We have it right here!**

For children, preschool and kindergarten is a happy place for exploring and finding out new things every day. For parents, a preschool and kindergarten should be a place that focuses on learning yet never forgets the importance of fun. Our preschool and kindergarten programs provide a stimulating and joyful environment which enables children to make a comfortable adjustment from home to school. We aim to strengthen self-esteem and instill a love of learning. We provide an environment in which your child feels happy, safe, comfortable, and loved at school. A great school encourages development but never pushes your child to grow up too fast. Saint James's School is just such a place. Dedicated and talented teachers who take a genuine interest in their students, interested and supportive parents, and active parent organization, fully integrated technology, a balanced curriculum, and a welcoming environment are reasons why Saint James is so well respected.

**\*\*\*Transitional Kindergarten Program**

In addition to our 3 and 5 day program for our 4 year olds, we also offer a "Transitional Kindergarten" program Monday through Friday from 8:45 AM to 1:45 PM. The program, which includes individualized and class-centered activities, is paced to provide developmentally appropriate instruction tailored to meet your child's unique individual needs.

Before care and after school care is also available. If you have questions, need additional information, or would like to visit Saint James, please contact us at 732 741-3363 or visit our web site
