FOCUS: We are to take up our cross each day and follow Jesus Christ.

LITURGY OF THE WORD: The first reading tells of the inner struggles Jeremiah experienced in being faithful to God's call to serve as a prophet. The second reading exhorts us to lead lives that are holy and pleasing to God. In the Gospel, Jesus teaches that all who desire to live as one of his disciples must take up their cross and follow him.

Searching for a good Preschool or Kindergarten?
We have it right here!

For children, preschool and kindergarten is a happy place for exploring and finding out new things every day. For parents, a preschool and kindergarten should be a place that focuses on learning yet never forgets the importance of fun. Our preschool and kindergarten programs provide a stimulating and joyful environment which enables children to make a comfortable adjustment from home to school. We aim to strengthen self-esteem and instill a love of learning. We provide an environment in which your child feels happy, safe, comfortable, and loved at school. A great school encourages development but never pushes your child to grow up too fast. Saint James's School is just such a place. Dedicated and talented teachers who take a genuine interest in their students, interested and supportive parents, and active parent organization, fully integrated technology, a balanced curriculum, and a welcoming environment are reasons why Saint James is so well respected.

Your child's bright future begins here

Established by Pope Leo XIII and the U.S. bishops in 1887, it is the national university of the Catholic Church. In addition to alumni who hail from this diocese, Catholic University claims **one third of the U.S. bishops and 12,000 priests and religious as alumni**. In Washington, D.C., the University provides an education based in the Catholic intellectual tradition to almost 7,000 students through its 12 schools.
