Searching for a good Preschool or Kindergarten?**We have it right here!**

For children, preschool and kindergarten is a happy place for exploring and finding out new things every day. For parents, a preschool and kindergarten should be a place that focuses on learning yet never forgets the importance of fun. Our preschool and kindergarten programs provide a stimulating and joyful environment which enables children to make a comfortable adjustment from home to school. We aim to strengthen self-esteem and instill a love of learning. We provide an environment in which your child feels happy, safe, comfortable, and loved at school. A great school encourages development but never pushes your child to grow up too fast. Saint James's School is just such a place. Dedicated and talented teachers who take a genuine interest in their students, interested and supportive parents, and active parent organization, fully integrated technology, a balanced curriculum, and a welcoming environment are reasons why Saint James is so well respected.

Your child's bright future begins here
